WAY DOWN IN DIXIE.

Interesting Items From Our Sister States in the South.

There came very near being a lynching

near the town of Elberton, Ga., last Thurs-

day. A young lady had a school in the set-

on of a Visit to Two New Engand Towns by a Correspondent of the and Towns by a Correspondent of the Now you need not believe that about Agawam, for 'taint so, and as for the other place I can't say. Warcham was set on 1759, and named for Warcham in Fag.

place I can'l say. Warcham was set of in 1738, and named for Warcham in Eagland and what is strange; the harbor in Eagland has been me choked up with sand, and what is strange; the harbor in Eagland has been me choked up with sand, and what is strange; the harbor in Eagland has been me choked up with sand, and our harbor is bothered by sand bars. The town was more often called Agawam, however, and when the mane really settled down to Warcham, they called this end of it Agawame. Now, inst where they got this name I can't say. Some say it was an Indian tribe, but the Agawame at Ipswich, and I am more inclined to think differently. There is an Agawame at Ipswich and at Westfield titler Cove House, both excellent them to called Agawam them, was recommended to think differently. There is an Agawame at Ipswich and at Westfield titler Cove House, both excellent them to called Agawam them to be a set of the called the called this end of it Agawame. Now, inst where they got this name I can't say. Some say it was an Indian tribe, but the Agawame at Ipswich and at Westfield titler Cove House, both excellent them to called Agawam, however, and when the called Agawam, however, and when the called Agawam in the called Agawam in the called Agawam at Ipswich and at Westfield the cover House, both excellent the cover House, and the cover House at the cover House at the cover House at the co

well and was drowned.

The children of Atlanta want to buy a liou, and had raised \$1,500 for that purpose. Now they have found out that the josky tariff laws will force them to raise star more to pay for their lion when he reaches American soil from a foreign shore. This is pretty hard on the little folks, but the Atlanta Journal says it will be raised—tariff or no tariff.

Hon, Par Calhoun, in reply to an Atlanta distillation interviewer, who asked what will be the effect of the lease of the estern and Atlantic to the Louisville and askelle system upon competition?" said; well, a glunce at the map will show you at the Louisville and Nashville system is lines from Atlanta to Memphis, Louislie and Christianta, and that the Terminal stem also has lines to the same points, a great railroad systems of the South have
